

## JUNIOR COUGAR BASEBALL

### 2017 Free Boy's Baseball Clinics

Sunday, February 12, 2017

All clinics will be held at the Lansing Catholic High School gym. No pre-registration is required. The clinic is free and will be run by Lansing Catholic baseball coaching staff and Varsity baseball players. This will also be an informational meeting for parents on the upcoming Junior Cougar baseball season. We plan on playing in the Mason Pony League, beginning early May with a finish date in late June. This will be a 12-game season.

Please wear gym shoes and bring a baseball glove. You may also bring a batting helmet and/or bat if you wish.
