preschool and after-care facility. Additionally, we will be looking to replace our roof and intercom system under this campaign. We are very excited about these possibilities become realities!

However, we need your assistance in determining how feasible our parish goal is. I invite you to [click on the image below](#) to be linked to the campaign survey. I also invite you to share this survey with other parishioners as well. We have a minimum goal of 300 surveys submitted by June 30th and we currently have about 120 surveys submitted.

Please know that your participation is key in making sure that these important projects move forward and we meet our survey submission goal by June 30th.

Please note that you will need to specifically mention St. Thomas Aquinas Parish/St. John Church and Student Center on the survey.

I thank you for taking the time to support our parish and school during this exciting time! I am prayerful that you will continue to enjoy your summer and I look forward to sharing the good news about our results when Tartan Times returns on August 4th.

Yours in Christ,

Mrs. Krusky
